year as we lived it—

ALMA MATER

In the heart of old Decatur,
With its sky of blue,
Stands our noble Alma Mater,
Glorious to view.

Lift the chorus,
Speed it onward,
Loud her praises cry . . .
Hail, to thee,
Our Alma Mater,
Hail, Decatur High.

Walls of knowledge, hope, and courage
In tradition bound,
Reared against the arch of Heaven,
Looks she proudly down.

HIGHLIGHTS OF "OUR YEAR"

Girls' basketball team captures second place in state. "Aggie" Chrietberg and Nancy Duvall accept the trophy from a tournament official.

Need we say more? The class of '56 wins stunt night trophy for third consecutive year! K. Head and Ellen Phelps receive the trophy from Mr. Renfro and Mrs. Folger.

Our lovely senior girls look even more lovely as they model their dresses in the Senior Fashion Show.

Nothing new here — but always exciting. "Amazing" Mrs. Kehr pounds bits of knowledge into senior heads.

Seniors jump with joy after capturing third stunt night trophy.

Many days have passed. These wonderful high school days are almost gone. We begin to look ahead as we talk with school representatives on College Day.

We Think She's Great!

To you who have contributed so greatly to the spirit of our school . . . to you who have been such an inspiration to us during your long years of service and who, through your music, have given so willingly of yourself to so many, we dedicate this the 1956 *Indecatur* to you — **Mrs. Cottie Clark.**

SENIOR CLASS WINS THIRD STUNT NIGHT TROPHY

Lady luck has followed this class throughout its high school career. For the third consecutive year the class has placed first in Stunt Night winning the coveted trophy . . . this year for the production "Make the Best of What You Are." The stunt was the result of many hard but fun-filled hours of work.

A great deal of talent was discovered among the boys when they presented the senior minstrel to a receptive audience.

As spring arrived the seniors stepped out in a colorful array of fashions, ranging from Bermuda shorts to formals. The girls and their escorts were "all dolled up" with somewhere to go . . . for they were going to "Follow the Sun."

After the spring holidays came the last step of the seniors career — the thrill and excitement of graduation which the seniors has so long awaited.

OUR FONDEST MEMORIES

JUNIOR YEAR SPARKED BY DRAMATIC PRODUCTIONS

Our first year as upperclassmen was something of which we really felt proud, and we showed it too! The class as a whole enthusiastically entered into the myriad of sports, clubs, and other activities at D. H. S.; and we launched many of our own projects, such as our original skit, "Got a Match?" which won second place in the stunt night. For the first time in Junior Class history, we presented a Broadway play, "Goodbye, My Fancy," which was acclaimed by the entire student body as an excellent production.

SOPHOMORE CLASS PARTICIPATES IN A VARIETY OF ACTIVITIES

The energetic sophomore class demonstrated a great deal of school spirit by its participation in school activities. The class took part in the student Council magazine sale by putting forth a big effort to make that sale a success. The class showed their customary spirit and ability when they presented "Goofus Goofed," an hilarious comedy which was given Stunt Night.

The class looks back on a well rounded year and looks forward to even fuller ones in the future.

A Freshman is subjected to many interesting experiences. Everything this year has been entirely different from anything we have known before. The teachers, the courses, and the activities have proven exciting and challenging. Many sleepless nights were spent working on Stunt Night, which gave us a chance for some good stage experience. We always enjoyed the football games, basketball games and dances. High School has certainly proved to be all we expected, and more!

We crown you "Jumpin' Jill"!

SUB-FRESHMEN CLASS GETS FIRST GLIMPSE OF DECATUR HIGH

SUB-FRESHMEN CLASS OFFICERS

VANCE TAYLOR *President*
JUDY WRIGHT *Vice President*
KEENA LAWSON *Secretary*
ANDREA ROBERTSON *Treasurer*

We saw our first glimpse of Decatur and its hospitality during the latter part of the summer when we were so graciously entertained by the Student Council.

The difficulty of learning our new surroundings was made easier with the aid of information directories which helped us find our way through the maze of halls and rooms.

As the strangeness wore off, we made new friends and entered into new activities. One of the events in which we participated was Stunt Night, and for the first time the sub-freshmen formed their own dramatic society, The Spot-lighters.

Through the year we have become accustomed to high school life, and we are sure that the next years will hold even greater thrills.

Sub-Freshmen learn first course in "how to study."

HARD WORK + LONG HOURS + DASH OF FUN = INDECATUR

Lights burned late . . . hands and minds worked hard . . . and gradually, from the myriad of ideas, first thrown in the trash can and then fished out for "future reference" our *Indecatur* grew. The staff immediately set to work to gain experience. There were countless things to learn . . . how to make a lay-out, how to plan pictures, how to accept responsibility, how to raise money and many others.

In the fall came the first big undertaking, that of planning and taking pictures. It took quite a bit of organizing to take the more than eight hundred individual pictures and much bargaining with the elements so that we could get the club pictures scheduled for outside. Eventually we did finish, and we began putting the book together. Lay-outs were changed . . . then re-changed . . . pictures were cropped . . . copy was written . . . John rewrote it all . . . and finally the book was sent to the printer. After it was gone and the business staff assured us that there was enough money to pay for it, we relaxed for the first time and so did Miss Norton and Miss Stewart, our advisors.

The climax of the year was Class Night at which time all of the secrets that had been so carefully guarded were revealed to the students.

Nancy and Kay share the drawing board for their pencil work.

Indecatur staff works out problems of the new book.

ACTIVE PROGRAM CHALLENGES STUDENTS

The Student Council presented a calendar of events . . . sparked the student body with enthusiasm . . . and set out to make this an outstanding year.

First the members voted to continue sponsoring the Korean War Orphans and during the football season they provided lively dances with new records. They also provided buses for out of town games.

The next project enlisted the help of the students in collecting canned foods to be distributed by the Department of Welfare at Thanksgiving.

Other activities included: donations to the Elks Aidmore Hospital, the annual magazine sale, going to conventions, supporting the March of Dimes Campaign.

The Student Council with its sponsors — Miss Rozelle Shirley, Mr. William Purcell, and Mr. Harold Baskin — worked with the student body to achieve a successful year.

Novem

Dear Friends of Decatur High School;

I am very glad to write you all again month. How are you coming along with you days? It is a nice fall but we have much chill in the morning and evening. I wonder what weather is it in your country now? Many thanks for your constant aid whom I have received the cash grant, two packs of candle, a can of butter, four yards of cotton sheeting and four note-books at the Plan. I am happy to say that an athletic meeting was held at school on 24th of October. Everything gave us a great pleasure and delight. I was given a prize to take a part in a running race. Well, I was No.1 in the running race. After that all pupils of our school had an excursion on 6th of Nov. to a nice hillside. At that time I had a very good time all day long, playing various games one another. To take a lunch at a hillside with many friends is very delightful and delicious it. After lunch we played a tag and had a treasure hunt that our teachers hid so many things under the rocks and trees. It is so wonderful game. I shall close for now, with best wishes and love to you all.

Ever yours,

"A Little Worry and a Lot of Anticipation" Gives Us The Scribbler

"The Scribbler is out! Have you seen it?" These were familiar words around the campus this year. With work as the motto, the Writers' Club started the month-long cycle of selling ads, assigning articles, and rushing to complete the copy before deadline each month. But it was all for a good cause — the satisfaction and pleasure of the student body.

Guided by the able hand of the advisor, Mrs. William Cole, the staff shaped the raw material into the new, improved, 1955-56 *Scribbler*, but not entirely without a little worry and a lot of anticipation. With a new face, and other modifications, the *Scribbler* was the pride of this year's staff and reporters. And so, if the *Scribbler* period and the Writers' Club meetings became exuberant, it was because the staff was trying to put into this publication twice as much satisfaction as it did in the last issue!

National Honor Society

"I pledge myself to uphold the high purposes of this society to which I have been elected, striving in every way by word and deed to make its ideals the ideals of my school and of my life." With this phrase of the National Society ritual and the four cardinal principles — character, scholarship, leadership, and service constantly in mind, the members of their organization strive to maintain and instill in others these high standards which guide them.

Membership in this society is an honor to which many aspire, but it is bestowed only to those who have worked faithfully to attain this honor. The Chairman is K. Head, the Secretary is Juanita Cochran, and the faculty advisor is Mrs. Clive Folger.

Beta Clubs

Character, achievement, leadership — these are the requirements of our largest honorary organization, the Beta Club. The Junior Beta Club and the Senior Beta Club functioned as separate units, and met regularly to plan projects of interest to the entire school. Throughout the year the clubs offered their services to the faculty. Both clubs sponsored the Valentine Dance which afforded a great deal of fun to the many who attended.

A spirit of cooperation was evidenced by the participation in the State Beta Club Convention which was held in Atlanta. The delegates attended meetings which offered many new ideas to them. These were eagerly accepted and carried back to the school with the hope that they would be used successfully there. Mr. Lexton Buchanan and Miss Rozelle Shirley are the sponsors for the clubs.

Dramatic Club Initiates Busy Season

The dramatic club launched this year with a challenging schedule. The group with their new director, Mr. Forrest Blount, organized and began work on several plays. The club worked hard, rehearsing long hours and gaining much experience. By the end of the year this group had afforded the school a great deal of entertainment. The Eight Grade Spotlighters was a branch of this organization. Mrs. Ralph Davis was the sponsor for this group.

Art Club Finds Ceramics Exciting

Paint brushes, copper, blobs of clay . . . these are the trade marks of the Art Department. Busy hands molded the clay into attractive vases, lamps, trays, and fashioned the copper into colored pins, earrings, and cuff links. These were exhibited at an Art Bazaar in one of Decatur's department stores and the public was able to purchase them.

The paint brushes went to work when the Beaux Art Ball rolled around. Abstract mobiles hung from the ceiling created a wierd atmosphere for the theme of "Tomorrow."

All of the work and projects of the Art Club have been under the supervision of Mrs. William Calder, director of the Art Department.

75% of Student Body Contributes to Red Cross

Our Junior Red Cross Council, having been helped by Mrs. William Green, faculty sponsor, succeeded in supporting the American Red Cross by donations from 75% of the student body. They have carried on projects such as filling chests with supplies for underprivileged children overseas. Through the work of the homeroom representatives, they were able to send Easter cards to the DeKalb County Home for the Aged. The council appreciates the help of the students and their sponsor.

Health Council Sponsors "March of Dimes"

Our active Health Council sponsored the customary "Blue-Jeans Day," sock hop, and supervised the donations for the nationwide March of Dimes at basketball games. This group also placed "hearts" in each homeroom for the support of the Heart Fund. All these activities were performed under the able guidance of Mrs. Burgoyne, faculty advisor.

A Little Bit of France Comes to Decatur

A new spark was added to the French Club in the person of Mr. J. B. Sojourner, the new French teacher and sponsor of the French Club. Plans for the year included an evening out at a French cafe and movies in French. Mr. Sojourner, who has studied in Paris, has been able to tell the club members a great deal about the people, places, and customs of France.

The future teachers have gotten quite a bit of practical experience this year. They have, on occasion, taught or held classes for teachers who have had to be away from class. It is part of their program to visit the grammar schools and study elementary education. From these visits a great deal is learned and carried back to the club. In the spring a banquet was given for the members. Mrs. Carr Johnston and Mrs. Paul Kehr are the faculty advisers.

Madge Lee Tourist Club Visits Canada

Out of this world, or at least out of this country, was the expression applied to the trip taken this year by the Tourist Club. For the first time the club had an opportunity to visit our northern neighbors, Canada.

After touring Washington, D. C. and New York City the girls, and their advisers, Mrs. Folger and Mrs. Deadwyler, traveled into Canada where they toured Quebec and Montreal. After visiting the famous points of interests in these two cities the girls entrained for the trip home. They arrived home tired, but filled with memories of a wonderful trip.

The club sent six delegates to the state convention. After this, the group participated in planning the Atlanta Area Youth Rally which was attended by over six thousand teenagers. The theme of the Rally was "Juvenile Decency Instead of Juvenile Delinquency."

All D.C.T. students are eligible for membership in the club. The purpose of the club is to promote better relations between employee and employer, and also among the students. The highlight of the year was the Annual Convention of the Georgia Federation of D.C.T. clubs at St. Simons Islands. It is under the supervision of Mr. John Varner.

Stamp and Coin Club Display Collections

The Stamp and Coin Club organized only last year—has been very active thus far. The club displayed their stamps and coins in the library for the students and faculty to see. This display consisted of United Nations stamps, first day covers, Confederate stamps and currency, and coins commemorating the coronation of Queen Elizabeth. Plans for more displays, and correspondence with foreign friends, are in the making, and a study of foreign stamps and coins is proposed for the future. Mr. Lexton Buchanan served as sponsor.

Youth for Christ Brings Interesting Speakers

With principles as high as those of the Youth for Christ Club, it is understandable why their club is growing. Christian ideals guide them in their program and service to the school. This club is responsible for having brought a number of excellent speakers to the school.

Mr. Marion Anderson, whose fine example guides the club, is the sponsor.

Office Workers Act as Inter-Com System

An important, hardworking group in our school which receives little recognition is the office staff. Running errands, answering the telephone, typing, filing and calling classes to lunch are a number of their duties. There is no inter communication system therefore these students must go to each of our buildings to carry messages. They render a necessary service to the students and faculty. Not only do they serve the school, but they receive valuable experience for themselves.

Library Workers Serve Entire School

A school cannot function without an efficient library. And a vital force in a library is its staff. They are always on call to serve the students and faculty. It is their duty to look after the circulation and pupil accounting records to prepare books, magazines, and other materials, to arrange the displays. They also help plan district meetings.

One of the main principles is to train the staff in the use and appreciation of libraries.

Mrs. Swint and Mrs. Quiry, our librarians have rendered valuable service to the school through their efficient counsel and help.

The Band Marches Through Another Successful Season

Pep was added to the football season again this year with the performances of the band in the stands, on parades, and during the half time shows on the field. Mrs. Cottie Clark, capable director of instrumental music, was honored at the Homecoming Game when she was presented a lovely gift in appreciation for her work with the band.

The Orchestra was not idle during football season for they were busy preparing for the Operetta. Miss Georgette Clark, a professional musician and daughter of the director, ably assisted them in this program. The orchestra also performed on such occasions

as the Home Economics Fashion Show, May Night, and Graduation. A representative number from this group entered the State Music Festival. The String Quartet returned with a superior rating, as did six individual performers. Seven members played in the All State Orchestra for GEA under the direction of Henry Sopkin.

For the first time Mrs. Clark presented all of the instrumental groups in assembly. She has worked hard with the beginner's band and orchestra in preparation for the future.

Choral Department Presents Operetta for the First Time

MRS. DALE CLARK, *Director*

From the beginning of the year to Christmas a tinge of excitement hovered over the Choral Department . . . for they were going to present, for the first time, an operetta — *Babes in Toyland*. The Mixed Chorus and Glee Club, combined their forces in one of the most enjoyable programs ever presented at Decatur High. The story was a colorful, fast moving one which centered around Mother Hubbard, her many children, and a cruel old man who was after their fortune. However, all ended well, and the entire performance was superb.

During the remainder of the year the Choral Department excelled in many other endeavors. In the Music Festival they earned seven superiors and six excellents. They sang for the Miss DeKalb County Beauty Pageant, for the GEA, as well as for numerous programs in assemblies and around Decatur.

The Choral Department is under the capable direction of Mrs. Dale Clark, well-known for her work in the field of Choral music. Mrs. Clark and her Civic Chorus have been invited to Wales to sing.

The Mixed Chorus and Glee Club generally function as separate units. Accompanist for the Mixed Chorus is Loye Greenaway who has served this group so willingly and well. Nancy Matthews, accompanist for the Glee Club has rendered a valuable service.

A lovely program was presented on April 13, when they gave their Spring Festival. The year ended with a farewell to Seniors at Baccalarate.

Team Spirit High Despite 3-7 Record

There probably has never been a team with more spirit and determination than this year's team. Due to the fact that the team lost 19 lettermen, the Bulldogs started the season as a young and inexperienced team. As a result of the fine coaching staff, under the direction of Head Coach Frank Jones, the team accomplished many difficult tasks. They defeated Murphy and Marietta at the beginning of the season. Later, they held the Russell Wildcats who were considered one of the top teams in the state, to a score of 6-7, also they prevented Rossville, another fine team in the state, from scoring in the first half. This team will be remembered as one of Decatur's hardest fighting teams.

Cheerleaders Keep Teams in High Spirits

At times, when the spirit of the student body was at a low ebb, the cheerleaders were always there to "pep it up" again. Throughout the year they did a splendid job of supporting the teams no matter how many miles away they had to travel. They sacrificed much of their time to practice after school. Their big annual project was sponsoring the election of Mr. Football. The money they received from this project was used for transportation to and from the major out of town games.

B-Team Boys Have Successful Season

This year was one of the best years for the B-team football. Although they had only a mediocre record, the boys continued to improve throughout the season. The boys always played hard and never gave up even as the last play was executed. At the end of the season they had a 4-4 record. Their best game was played against Griffin when our team defeated the Griffinites 26 to 20 in a thrilling game. The team was coached by Butch Lee and Major Tallent.

Cheerleaders Encourage B-Team

The B-team cheerleaders did a fine job spurring our B-Team on to a more successful year. The girls added spirit and excitement to the games.

They spent a great deal of time in afternoon practice sessions and also much time making posters and tags advertising the games. With such vivacious girls as these cheering them on, it is little wonder that the team works so hard.

Bulldogs Have Finest Season Yet

Competition in basketball was especially keen in Region 4AA this year. Decatur produced a team worthy of high praise. After a great deal of practice and preparation the Bulldogs defeated such teams as the Russell Wildcats, State Champions of '55, and who had not been defeated by Decatur in fifteen years. Under the excellent coaching of Coach Charlie Hall, the Bulldogs finished the season with a 10-11 record. In the region tournament the team defeated Cedartown 55-50 and in the semi-finals defeated Dalton 66-60. We lost in the finals to Russell by four points. This ended one of the most exciting seasons for the team.

B-Team Has Prosperous Season

Girls Take High Honors at State and Region Tournaments

Perfection was a major factor in the successful season of the girls' basketball team. Under the supervision of Coach Wayne Renegar, the girls maintained a high winning record. Finishing the season with a 15-5 record, the girls entered the region tournament with high spirits. When the tournament was over, the result of the team coordination was displayed. They emerged a region champion with the next obstacle being the state tournament. This too was entered with great expectation. After defeating Richmond Academy and R. E. Lee, they entered the finals with Northside as their opponent. Although they lost to Northside by only one point, it was the finest game they had ever played. The team will surely be remembered as one of Decatur's greatest.

Future Varsity Girls Learn Fundamentals

This year, as in the past years, a large number of girls tried out for the basketball team. Under the supervision of Coach Major Tallent, they learned the fundamentals of the game, and they also gained experience needed to have good basketball teams in the future. The girls used this knowledge to defeat many of their opponents.

Decatur has always had a good baseball team, and this year was no exception. Although the team was a comparatively young and inexperienced team, they showed themselves to be great competitors. Region AA contains some of the toughest teams in the state, and the Bulldogs played hard and scored often. Coached by Frank Jones and Bill Powell, the team improved every game. At the end of the season, Decatur had one of the finest teams in the region.

Swimming Becomes Favorite of Boys

Swimming is becoming one of the fast growing sports of Decatur. The team this year has completed one of its finest seasons. It has shown considerable improvement over their record of last year. Their skill in swimming was shown in their high scoring in the Metropolitan Atlanta Swimming Meet, and in their keen competition with other schools in the area. Mr. Garvin Miller coached the boys throughout the season.

Keen Competition is Offered by Girls' Swimming Team

This year there was great spirit among the girls as they tried out for the swimming team. These girls, who practiced long and hard, did a wonderful job in representing Decatur in all of the swimming meets. They captured the Metropolitan Atlanta Swimming Title by their high competitive spirit and skill. Mr. Garvin Miller did a fine job in coaching these girls.

The boys tennis team, under the direction of Mr. Bill Purcell, turned out some excellent players this year. In addition to the boys who returned from last year, there were many new faces on the team. Despite the overall lack of experience, the team completed a very successful season.

Girls Maintain High Ranking in Tennis

The Decatur High Girls tennis team was composed of extremely good players. Due to the lack of depth in the team, they were unable to gain enough points to win as a team. However, the girls who played did an excellent job in representing Decatur.

Military Training Prepares

The course given by the Reserve Officers Training Corps teaches the cadet many things he will need to know later, whether it be in civilian or military life. One of the most important things that is taught is military discipline. For those who work hard and do their best, promotions in rank are forthcoming.

In addition to military discipline and courtesy the cadet learns a basic working knowledge of several weapons, including the

The officers and sergeants cooperated this year on two projects. The "Dateline" which was compiled, edited and sold by them proved to be of great value to both faculty and students. The second project scheduled to make money for the clubs was two basketball games, one between the Officers and Sergeants and another between the winner of the first game and the men faculty members. Money from these projects was used toward the Military Ball and the breakfast which followed.

Spring Festivities Go West

SPRING FESTIVITIES GO WEST

The King and Queen and their court reigned from the porch of a western ranch at the annual spring frolics held in late April. The royalty was entertained by dances, acts and mass calisthenics performed by the physical education classes and the military department. The Spring Frolics had as its theme "Wagon Wheels West". The unique and colorful costumes, the accuracy of the dances and the realistic settings exemplified the western theme.

Coaches Frank Jones, Clyde Ehrhart, Major Tallant and Miss Ann Boiter were in charge of the production. The sets were designed and built by the Art Department under the direction of Mrs. Dorothy Calder. The orchestra, directed by Mrs. Cottie Clark, furnished the music for the program.
